Blossom Mural

Blossom Wallpaper is an interpretation of an old fashion floral, by artist Tiff Manuell. She says, it's the kind you might find on your great grandmas couch or bedspread. This is a fresh but mellow floral wallpaper design with a neutral grey background. The deep greens of the leaves contrast with the warm florals in golds, pale peaches and rusty oranges. It evokes a sense of history with a bridge to the modern home. The application of the acrylic paint is loose and often messy using a range of brush shapes to create the visual textures.

Designed as panels that are 330cm high x 61.5cm wide. Each roll comes with 3 panels. When calculating the quantity required. Simply divide your wall width by the panel width. For example. 3.6m wide / 61.5cm = 5.8 drops ≈ 6 Panels: 2 Rolls.
