Ticking Stripe (Future Traditions) Wallpaper

Future Traditions reinterprets the classic ticking stripe with a palette designed for contemporary living. Rooted in history, ticking stripes were first seen in durable fabrics for bedding and upholstery, admired for their simple order and versatility. This collection updates the look with fresh, modern hues — from the calming teal of Celadon Drift and sun-warmed Desert Marigold to romantic Heatherfield, grounded Heritage Grove, and earthy Ironstone Clay. Deeper tones like Mulberry Hearth and Seaside Fog bring richness and depth, ensuring the collection feels both sophisticated and versatile. The result is wallpaper that balances timeless rhythm with renewed energy, perfect for modern farmhouse, transitional, or eclectic spaces. Future Traditions keeps the iconic stripe alive while giving it a forward-thinking twist, ensuring it feels as relevant tomorrow as it does today.
