

MAEVE OLIVER

Dancing Brolga Metallic Wallpaper

Sometimes referred to as the Australian Crane, Brolgas are tall, slender birds native to wetlands across Australia. Dancing Brolgas Wallpaper by Maeve Oliver is inspired by the birds' iconic courtship dance, recreated in an Art Deco style. Finished with warm gold metallic detailing, the elegant birds and palm fronds make a striking addition to residential and commercial interiors.

BATCHING & DELIVERY

- Note: Samples of this wallcovering are provided for review of the material, pattern scale and print technique – they are not intended to be used for colour matching purposes. There can be slight shifts in colour between runs, so your wallcovering may vary slightly from sample colouring.
- Please ensure that you order the correct amount as we do not guarantee that rolls printed in different batches will be an exact match.
- Industry leading production times on all orders.
