BETHANY LINZ

Wisteria Vine Metallic Wallpaper

A love letter to a classic floral favourite, Wisteria Vine celebrates the understated beauty of nature and the timeless allure of traditional chinoiserie. Inspired by designer Bethany Linz's wisteria vine that flourished without flowering, this design captures the graceful flow of its leaves and branches. Subtle gold metallic accents bring warmth and depth, creating a calm and elegant backdrop for interiors that balance tradition and modernity.

BATCHING & DELIVERY

- Note: Samples of this wallcovering are provided for review of the material, pattern scale and print technique – they are not intended to be used for colour matching purposes. There can be slight shifts in colour between runs, so your wallcovering may vary slightly from sample colouring.
- Please ensure that you order the correct amount as we do not guarantee that rolls printed in different batches will be an exact match.
- Industry leading production times on all orders.
